

MEOUSER Winter 2018

Dear friends of felines,
Welcome to MEOUSER – your KQ newsletter!

Thank you for tuning in to Kitty Quarters. We hope you will be a regular follower and contributor to the Kitty Quarters cause: Pairing Cats with People to Benefit BOTH.

It's been a 4-year journey from IRS non-profit declaration to building acquisition. We've filled out all kinds of legal forms, spent days writing proposals to rehabilitate buildings that would cost the city of Bristol thousands to demolish, toured condemned buildings (while wearing protective gear) and pleaded with town zoning boards, property panels, and various government entities in several towns.

Zoning regulations were usually the stumbling blocks and people who stood up in meetings to say:
“We don't want a cat shelter in OUR neighborhood”

As if we were bringing in jaguars, cougars or leopards! We tried to explain that a rescue helps remove, rehome and limit the population of cats that would end up roaming neighborhoods! In the end, we're very grateful to the city of Torrington that was not only helpful, but welcoming. And we can't wait – to invite you in to our facility once we get our license.

KQ as we call ourselves, is a community of like-minded people who know, or want to discover, the value that cats can bring to our lives. Did you know that there are 27 documented health benefits to having a cat as a companion?

Our family of experienced and new volunteers are united in wanting to make Kitty Quarters not only a unique rescue, adoption and education center but a place where our youth can develop life skills like team-work, responsibility, charity and respect for all life. And our “not so youthful” more “life experienced” volunteers can continue to contribute to society and feel the value of their contributions while saving lives of innocent animals.

I hope you will join us as a contributing member.

Membership donations vary. Please visit our membership link to fill out a form in this website. If membership is not for you, perhaps you would consider a tax-deductible donation in the form of a check, a monthly contribution, sponsor a specific cat, or a more life-sustaining contribution in your estate plan.

Thank you.
